

Benson Millstream Centre Newsletter

Greetings..

We are delighted to share that the centre continues to buzz with activity since our official opening and Open Day – as you know, this is exactly the way that we, and our customers, like it! We are thrilled to have welcomed many new faces and look forward to more exciting times ahead as our vision for the centre grows.

Some of our lovely friends have had quite momentous birthdays over recent weeks, and we have been privileged to share in their celebrations.

Everyone loves a party, and It's been fabulous to witness and be part of these special moments, surrounded by laughter, friends, and the creation of new memories. While the centre always looks fabulous, when it's decorated for a special event, it's truly wonderful. The festive atmosphere and decorations add an extra layer of magic to these big occasions. June and July are packed full of exciting special events at Millstream! In addition to our regularly timetabled activities such as seated Keep Fit, the fortnightly visits from our Little Friends and their childminders, and of course our impromptu dancing, we will celebrate Festa Della Republica with delicious Italian food, festivities and music. The glamour and excitement of Ascot will be brought to Millstream later in June as we enjoy an afternoon of 'horse' racing fun and we will all be donning our best beach attire for our much anticipated Annual Summer Beach Party!

We are also delighted to announce that renowned journalist Ed Laxton will be joining us soon. Ed is known for his engaging storytelling and keen insights into the world of celebrities and politicians. We can't wait to hear some juicy gossip, scandalous stories, and intriguing news from him!
