

Benson Millstream Centre Newsletter

Greetings from Emma Centre Manager

As the autumn draws on, the Centre continues to provide a warm friendly place for customers, and we are delighted to have welcomed several new customers over the last few months.

The variety of games we play creates good team spirit, keeps up our communication skills and we have a jolly good laugh. The games of Cornhole, giant Connect 4 and Quoits continue to be as competitive as ever. Everyone concentrates on trying to achieve a high score or beating the other team! Our monthly session with the Handbell ringers is very popular and the customers have a great time singing along.

I recently ran a 'Millstream listens' session, for customers to tell us what they like most and want more of. As a result, we have introduced new craft sessions - most recently we made some fab Halloween decorations.

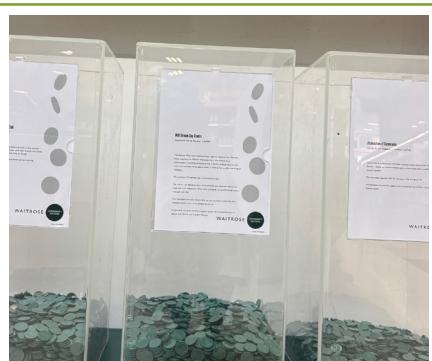

Christmas crafts start soon!

Here are some photos from our recent sessions.

The Waitrose **green tokens** are back !!
A **BIG** Thank you to everyone who has posted a token in the Millstream slot in Waitrose this month. We hope to raise a good amount of money to go towards the Centre.

Thank you to Waitrose for including us.

Autumn 25

1155 Wallingford Bonfire and Fireworks

On 1st November we joined the 100's of volunteers at the 1155 Bonfire and firework event in Wallingford. We had great fun bucket shaking and selling sparklers for Millstream and other local charities. The weather held out and thousands of people came to watch the amazing display, as you can see, a giant Guy Fawkes came to help us raise money!

It is a wonderful event and 1155 distribute the money raised to over 20 charities in the area, it is great to know that all your donations go back into our local community.

Thank you 1155 for including us this year.

What's coming up....
